

FSE 52

Light, quiet and powerful electric grass trimmer in a modern and functional design with improved features (wire spacer bracket) and new AutoCut 2-2 mowing head. Perfect for all garden trimming and thinning jobs. More powerful successor to the STIHL FSE 41 electric brushcutter. Available from Spring 2012.

Technical data

Power W	500
Total length m	1.31
Voltage V	230
Cutting tool	Mowing head AutoCut C 2-2
Weight kg	2.2
Vibration levels left/right m/s^2 ¹⁾	3.0/4.5
Sound pressure level dB(A) ²⁾	83.0
Sound power level dB(A) ²⁾	94.0

1) K-Faktor nach RL 2006/42/EG = 2 m/s^2

2) Power factor according to DIR2006/42/EC=2.5(dB(A))

Standard features

Loop handle (R)

The loop handled grass trimmers and brushcutters are ideal for working in areas where space is limited, e.g. thinning between bushes and shrubs.

Cable strain relief

The cable strain relief prevents the power cable from becoming accidentally disconnected.

Distance holder

Distance holder to protect bark and plants from the nylon cutting line.

Pivoting mowing head

Pivoting mowing head for quick and easy conversion into edge cutting mode.
