B 225i HOUSING

WARNING
Read and follow all safety precautions in the owner's manual. Failure to follow instructions could result in serious injury to user. The contact may cause the guide bar to move suddenly upward and backwards, which may cause serious injury to user. Two hands are always to be used in operation of the chain saw. Use only identical replacement bar and chain components manufactured by Husqvarna. For use only with Husqvarna BL-series batteries. See instruction manual for additional battery packs.

AVERTISSEMENT
Consultez et suivez les consignes de sécurité contenues dans le manuel de l'utilisateur. Le non-respect de ces instructions peut entraîner de graves blessures d'un utilisateur. Le contact avec le rail peut entraîner des mouvements brusques de la chaîne vers le haut ou vers la ligne arrière, ce qui peut causer de graves blessures à l'utilisateur. Il faut toujours utiliser ses deux mains lorsqu'il fait fonctionner la tronçonneuse. Utilisez uniquement des pièces de rechange du guide-chaîne et de la chaîne homologuées ou qui ont été fabriquées par Husqvarna. À utiliser uniquement avec des batteries homologuées de la série BL. Consultez le manuel d'instructions pour les recommandations sur les blocs de batteries supplémentaires.

ADVERTENCIA
Lea y siga todas las precauciones de seguridad especificadas en el manual de instrucciones. El incumplimiento de estas instrucciones podría ocasionar lesiones personales de gravedad. El contacto con la pira podría provocar un movimiento repentino hacia arriba y hacia atrás de la espada, que podría causar graves lesiones personales. La tronczadora siempre debe manipularse con las dos manos. Utilice únicamente componentes de sustitución de la espada y la cadena idénticos a los originales y homologados por Husqvarna. Solo se debe usar con baterías de la serie Husqvarna BL. Consulte el manual de instrucciones para obtener más información sobre los paquetes de baterías.
