Plunger Notice

Red Piston is Meritool's design which comes with DCE5801-XJ. Meritool's sources this and provides to USTI.

White Piston is a Stanley Black & Decker designed piston from USTI. USTI produce this part including the service kit plunger **659569-00**

Red Piston has the same function as **659569-00** (White Piston + O Ring + Screw + Grease tube.) There are no compatibility issues.

Difference in functionality?

No difference in function. With the white piston there will be less wastage of adhesive due to the extended sleeve. There are no compatibility issues.

659569-00 = O Ring + Plunger + Screw + Grease Tube (Lube applied to the Plunger O-ring area after assembling to have a smooth sliding action inside the barrel).
