

SXPW19B Motor PRESSURE WASHER 1

SXPW19B Attachments PRESSURE WASHER 1

This diagram illustrates the exploded view of a mechanical assembly, likely a portable power source or generator. The components are numbered as follows:

- 1**: Main housing/casing.
- 2**: Top cover/lid.
- 3**: Small triangular gasket or seal.
- 4**: Internal component, possibly a switch or indicator.
- 5**: Side panel or guard.
- 6**: Small circular component, possibly a cap or plug.
- 7**: Base plate or mounting bracket.
- 8**: Small rectangular component, possibly a label or sensor.
- 9**: Small rectangular component, possibly a switch or indicator.
- 10**: Bottom panel or base.
- 11**: Small rectangular component, possibly a switch or indicator.
- 12**: Main housing/casing (alternative view or part).
- 13**: Small rectangular component, possibly a switch or indicator.
- 14**: Small rectangular component, possibly a switch or indicator.
- 15**: Small rectangular component, possibly a switch or indicator.
- 16**: Small rectangular component, possibly a switch or indicator.
- 17**: Small rectangular component, possibly a switch or indicator.
- 18**: Small rectangular component, possibly a switch or indicator.
- 19**: Four screws (shown in a separate inset).
- 20**: Small rectangular component, possibly a switch or indicator.
- 21**: Small rectangular component, possibly a switch or indicator.
- 22**: Small rectangular component, possibly a switch or indicator.
- 23**: Small rectangular component, possibly a switch or indicator.
- 24**: Small rectangular component, possibly a switch or indicator.
- 25**: Small rectangular component, possibly a switch or indicator.
- 26**: Small rectangular component, possibly a switch or indicator.
