

NO.	Name	NO.	Name
1	Power cord+plug	26	Knife holder locking knob \varnothing 45- \varnothing eight
2	Outgoing hose	27	Flat cushion
3	Cross two combination self tapping screw	28	Carriage screw
4	Woodworking cart cover	29	Tail screw
5	Cross screw	30	Nut (thickened by 18 on opposite sides 24)
6	Electromagnetic switch	31	bearing
7	Speed control knob	32	Tailstock thimble
8	Shaft ring	33	Nut
9	Eccentric shaft	34	Elastic pad
10	Knife holder fixing plate assembly	35	Flat cushion
11	Internal hexagonal screw	36	Plum blossom thimble
12	Knife holder	37	Motor assembly
13	Knife holder pillar	38	Guide rail
14	Small knob \varnothing 20-M6-20	39	Wooden car chuck
15	Tail frame locking knob	40	Guide rail cover
16	Cross countersunk head screw	41	External hexagonal screw
17	Eccentric shaft sleeve	42	Speed control PCB
18	Knife holder locking plate	43	Self tapping screws
19	Tailstock (profile)	44	inductance
20	Flange nut	45	capacitance
21	Tailstock panel	46	Cross two combination self tapping screw
22	screw-spring washer-flat pad	47	Cable press plate
23	Self tapping screw	48	Cross two combination self tapping screw
24	Tail frame handwheel assembly	49	Stamping wrench 17mm
25	Cross recessed countersunk head screw	50	Stamping wrench 24mm
		51	turning tools
