

**Шкурка Kussner на листа на мрежеста основа силициева  
280x115 мм, P150**

## Data Sheet

|                                |   |
|--------------------------------|---|
| <b>Backing:</b>                | Screen  |
| <b>Bonding Agent:</b>          | Resin   |
| <b>Grain:</b>                  | Silicon carbide   |
| <b>Forms:</b>                  | Discs in $\varnothing$ 380 mm, $\varnothing$ 410 mm & $\varnothing$ 430 mm<br>Paper in 115 x 280 mm |
| <b>Sectors of Application:</b> | Mechanical treatment of cork, wood, parquet and varnish   |
| <b>Utilisation:</b>            | Coarse and fine sanding   |
| <b>Advantages:</b>             | For wet and dry sanding   |

### Application:

| Wood  | Metal  | Leather  | Lacquer  | Floor  | Glass  |
|---|--|--|--|--|--|
|  <input checked="" type="checkbox"/> |  <input type="checkbox"/> |  <input type="checkbox"/> |  <input checked="" type="checkbox"/> |  <input type="checkbox"/> |  <input type="checkbox"/> |

### Available Grain Numbers:

|   |                                     |      |                                     |      |
|---|-------------------------------------|------|-------------------------------------|------|
| 16                                      |                                     | 20   |                                     | 24   |
| 30                                      |                                     | 36   |                                     | 40   |
