

Фибърдиск Smirdex за камък за ъглошлайф 180 мм, P40, 935

For marble and concrete

The efficiency and longevity of the 935 Super Fiber Discs is unparalleled, considering its heavy-duty speciality. The thick layer of silicon carbide combined with the rigid fibre support provide the ideal strength and the structure for grinding marble, rough stone and concrete surfaces.

Discs Ø 115mm
