

Go home early.

Love football? Grind faster than ever before with CERABOND X and get home to the things you love doing.

+ **Stays sharp:** Due to the combination of our new bonding system and ceramic grain, CERABOND X stays sharp until the end.

+ **Fastest grinding:** Thanks to the new structure of the ceramic grain, users of CERABOND X experience a never before seen grinding speed.

+ **Extra-long lifetime:** As a result of its new bonding system, CERABOND X offers extreme lifetime, which results in less wheel changes for users.

What's behind CERABOND X?

The combination of ceramic grains and our unique TYROLIT bonding system guarantees continuous aggressiveness with an unmatched

lifetime. CERABOND X stays sharp, making it the best solution for grinding steel and stainless steel in heavy-duty applications. Whether

you're edge grinding, surface grinding or removing welding seams CERABOND X will get the job done faster.
