Concrete placement equipment Husqvarna AT 29

Husqvarna AT is a series of concrete vibrator heads to be used with Husqvarna AME 1600 drive unit. An ideal entry level solution for pouring floors, slabs and beams in housing constructions. The 3-step modular design offers high versatility with 16 different combinations of Superflex hoses and AT-heads to suit the current job requirements. The vibrator heads are durable, easy-to-operate and offer long service life.
