

Guide rail FS 1080/2

Item number 491504

FS 1080/2

Functions

Impeccable guidance.

Invented and perfected by Festool: The guide rail. For making cuts and grooves with impressive precision. With slideway lining for guaranteed machine smoothness, a groove for screw and lever clamps and splinter guard for splinter-free sawing. Making breakthroughs in precision and convenience since 1964. The original is available in eight different lengths from 800 to 5000 mm.
