

Core maker KS-PS/PSB 300

for PS 300, PSB 300, PS200, PS2

Item number 490118

Usage

Main applications

- Using the circle cutter, precisely round cutouts with a diameter that ranges from 130 mm to 720 mm can be sawn
- For this purpose, we suggest using a cross-set jigsaw blade, for example, the S 75/4 FSG jigsaw blade
