The new Collomix cordless hand held mixer – Xo 10 NC

Xo 10 NC - cable less mixing wherever you want!

Technical data sheet	XO 10 NC
Rpm under load	-640 min
Type of paddle	WK (for mortar, plaster and screed)
Diameter of the paddle	120mm
Paddle connection	Hexafix quick coupling system
Max mixing quantity	40 liter
Metabo battery	18v, 5,2 Ah Li-Power
Battery charging time	Ø 100 Minutes
Delivery set 1. Item number 20490	Xo10 NC without battery and charging station
Delivery set 2. Item number 20492	X10 NC with one battery and charging station
<u>Delivery set 3. (professional set)</u> Item number 20493	X10 NC with two batteries and charging station

Paddles and applications (like by the Xo1)

Sample applications

EP coating / paints

Self-levelling compound

Slurry

Natural stone mortar

Tile adhesive

Grout

Adhesive and reinforcing mortar

Egalisation filler

Suitable mixers

WK 120 HF
for ready-mixed mortar, plaster, screed, medium-bed and thick-

KR 120 HF
for tile and adhesive mortar, filler, grout

DLX 120 HF
for self-levelling compounds, sludges, thin-bed mortar

LX 120 HF
for paints, coatings, sealings

Xo 10 NC - cable less mixing wherever you want!

Why Xo 10 NC? Where is the added value? (2)

- a) Too often too many cables on site...
- b) More flexibility and easier mobility when it comes to very small batch mixing (a very good and much more ergonomic alternative to any battery drill)

The new Collomix cordless hand held mixer – Xo 10 NC

Xo 10 NC - cable less mixing wherever you want!

Why Xo 10 NC? Where is the added value? (1)

- No HAZMAT fees. (18V x 5,2 Ah = 93,6 Wh) ; below 100 Wh **no HAZMAT fees** and particular handling for hazardous materials required!
- Batteries are as a whole getting better and better and this one allows you **up to 7 mixing batches of liquid materials** up to self levelling and thin set mortar, and **4 to 5 mixing batches by heavy duty applications.** (25 kg bags)

Cordless mixing without compromise **Xo 10^{NC}**

Powerful Metabo 18 V, 5.2 Ah Li-ion battery for consistently high power output and optical charging indicator

Ergonomically ideal working height and pleasant grip position; well-balanced device

Made for mixing: Reliable and high-performance precision gearbox for torque and service life

Safety switch with acceleration function for controllable speed

Powerful latest-generation drive motor

Mixer changeover made easy, with the HEXAFIX quick-change coupling
