POWER X-CHANGE

Cordless Impact Driver

TP-CI 18 Li BL - Solo

Item No.: 4510030

Ident No.: 21041

Bar Code: 4006825613971

The Einhell TP-CI 18 Li Brushless-solo impact driver is a high-power member of the Power X-Change family. It is compatible with all the batteries and chargers from the line. The brushless motor also delivers more power and runs longer than a conventional motor. Tightening large and long screws is an effortless undertaking with the impact driver. It comes with a 1/4" (6.35 mm) hexagon tool chuck. The finely adjustable electronic speed control can be adjusted to your requirements. Thanks to its short, light-weight design it reduces body stress and fatigue, and the ergonomic Softgrip surfaces provide a firm hold. This product comes without a battery and charger which are available separately.

Features & Benefits

- A member of the Power X-Change family
- Brushless motor - more power and longer life time
- Impact driver-for effortless tightening of large/long screws
- 6.35 mm (1/4") Hexagon Fitting
- Speed control for fine adjustment on delicate jobs
- Short, lightweight design with ergonomic Softgrip surfaces
- Recommendation for optimum results: 2.5 Ah battery & higher
- Special impact mechanism protects the wrist from torsional forces
- Complete with LED lamp to illuminate the work area
- Supplied without battery and charger (available separately)
