ACCESSORY

Battery

2x 18V 5,2Ah PXC-Twinpack

Item No.: 4511526

Ident No.: 21010

Bar Code: 4006825656695

The 2x 18V 2.5 Ah PXC are rechargeable batteries which are designed for universal use in the entire PXC product family. A single rechargeable battery and a single charger for all tools saves significant costs of buying, and universal use also helps protect the environment and provides flexibility at the same time. TWIN-PACK technology provides prolonged working time + more power with 2x 18V batteries. The process-controlled active battery management system ABS ensures max. safety, optimum tool performance, max. operating time + max. service life. The high-quality battery resists the memory effect and self-discharge. There is a trough handle for easy removal from tools. The rubber coating provides high impact protection + good grip.

Features & Benefits

- Universal usability for all Power X-Change rechargeable devices:
- Saving money, protecting the environment, and flexibility
- prolonged working time + more power with 2x 18V batteries
- PLUS-technology: extra power for intensive operation
- The ABS process-controlled battery management system stands for
- max. safety, optimum performance, operating time + lifetime
- Freedom of cordless operation: No tangled cables and free working
- High-quality Li-Ion cells means no memory effect,
- low self-discharge and high, constant power
- Current charge level indicated by 3-stage LED display
- Impact protection and good grip thanks to rubber-coated housing
- Trough handle for easy removal
- Housing protected against dust, corrosion and mechanical damage
- Suitable for TWIN-PACK use in power demanding 36V applications

Technical Data

- | | |
|-----------------------|----------|
| - Voltage | 18 V |
| - Battery capacity | 5200 mAh |
| - Max. power | 1260 W |
| - Amount of batteries | 2 Pieces |

Logistic Data

- | | |
|--------------------------------------|--------------------|
| - Product weight (kg) | 0.89 |
| - Gross weight (kg) | 1.87 |
| - Dimensions single packaging | 177 x 156 x 81 mm |
| - Pieces per export carton | 8 Pieces |
| - Gross weight export carton | 15.7 kg |
| - Dimensions export carton | 380 x 300 x 190 mm |
| - Container quantity (20"/40"/40"HC) | 9968 0 0 |
