

## Такер акумулаторен за скоби

**NEW**

### N1804DA

Cordless Narrow Crown Stapler

18V - 18 Gauge - 12-40 mm

**Compatible**  
**BRUSHLESS**  
**AIR SPRING**  
**DRIVE SYSTEM**

Lightest and most compact

High freedom of movement and lower costs

Steady stapling performance

#### Specifications

Voltage	18V	
Motor type	Brushless motor	
Driving mechanism	Air Spring Drive System	
Applicable staples	Crown width	5.7 mm
	Wire thickness	1 x 1.25 mm (18 Gauge)
	Length	12-40 mm
Magazine capacity	100 staples	
Quick stapling speed	Up to 2 stapels /sec.	
Selectable firing modes	Single, sequential/contact	
Driven staples per charge <sup>1</sup>	1,000	
Toolless depth control	✓	
LED light	✓	
Hook	✓	
Vibration level	2.3 m/s <sup>2</sup>	
Noise level	86 dB	
Dimensions (H x L)	286 x 275 mm	
Tool weight	2.0 kg	
Weight with battery <sup>1</sup>	2.4-3.0 kg	

#### Characteristics

Lightest and most compact narrow crown stapler

High freedom of movement and lower costs:  
No need for compressors, hoses or gas canister

Steady stapling performance even with colder temperatures

Easy on the human body; no exhaust gas odors and explosive sounds

Selectable firing modes: sequential or bump fire mode for highest accuracy and fastest work progress

Easy toolless driving depth adjustment

Quick jam release for toolless removal of jammed staples

Lightweight and well-balanced body keeps the centre of gravity close to the handle for easy operation

LED light for illuminating dark work spaces

Air Drive System; no need for compressors, hoses or gas canisters. Zero ramp-up time, low recoil, consistent high power and high freedom of movement

#### Versions<sup>2</sup>

N1804DAWXZ:	2x battery BSL1820M, charger UC18YFSL, nose cap, stackable case HSC III
N1804DAW6Z:	Nose cap, stackable case HSC III
N1804DAW4Z:	Nose cap, cardboard box
