

GARDENA Threaded Hose Coupling, 2-piece 33,3 mm (G 1") / 25 mm (1")(7142)

The two-piece Threaded Hose Coupling comprises a socket and sleeve nut; it is therefore a flat washer seal. It is suitable as a connection to the tap, however not for pumps. With 33.3 mm (G 1") thread, suitable for 25 mm (1") hoses.
