

## Гайки метрична резба DIN 934 поцинковани

| Identification | Dimension<br>(s x e x m)<br>(mm) | Pitch<br>(mm) | Version | Class       | kg/100 ps | Packing<br>(small b/carton)<br>(pcs.) |
|----------------|----------------------------------|---------------|---------|-------------|-----------|---------------------------------------|
| M3             | 5,5 x 6,0 x 2,4                  | 0,50          | Fe / Zn | 8           | 0,03      | 2500/60000                            |
| M4             | 7 x 7,6 x 3,2                    | 0,70          | Fe / Zn | 8           | 0,06      | 2000/24000                            |
| M5             | 8 x 8,8 x 4                      | 0,80          | Fe / Zn | 8           | 0,10      | 2000/16000                            |
| M6             | 10 x 11,1 x 5                    | 1,00          | Fe / Zn | 8           | 0,22      | 2000/8000                             |
| M8             | 13 x 14,4 x 6,5                  | 1,25          | Fe / Zn | 8 / 10 / 12 | 0,47      | 1000/4000                             |
| M10            | 17 x 18,9 x 8                    | 1,50          | Fe / Zn | 8 / 10 / 12 | 1,04      | 500/2000                              |
| M12            | 19 x 21,1 x 10                   | 1,75          | Fe / Zn | 8 / 10 / 12 | 1,55      | 350/1050                              |
| M14            | 22 x 24,5 x 11                   | 2,00          | Fe / Zn | 8           | 2,25      | 200/800                               |
| M16            | 24 x 26,8 x 13                   | 2,00          | Fe / Zn | 8 / 10 / 12 | 3,05      | 150/600                               |
| M18            | 27 x 29,6 x 15                   | 2,50          | Fe / Zn | 8           | 4,45      | 100/400                               |
| M20            | 30 x 33,0 x 16                   | 2,50          | Fe / Zn | 8 / 10 / 12 | 5,80      | 100/300                               |
| M22            | 32 x 35,0 x 18                   | 2,50          | Fe / Zn | 8           | 7,60      | 50/200                                |
| M24            | 36 x 39,6 x 19                   | 3,00          | Fe / Zn | 8 / 10 / 12 | 10,10     | 50/150                                |
| M27            | 41 x 45,2 x 22                   | 3,00          | Fe / Zn | 8 / 10 / 12 | 16,00     | 30/90                                 |
| M30            | 46 x 50,9 x 24                   | 3,50          | Fe / Zn | 8 / 10 / 12 | 22,32     | 25/100                                |
| M33            | 50 x 55,4 x 26                   | 3,50          | Fe / Zn | 8 / 10      | 25,50     | 1/90                                  |
| M36            | 55 x 60,8 x 29                   | 4,00          | Fe / Zn | 8 / 10 / 12 | 33,90     | 1/60                                  |
| M39            | 60 x 66,4 x 31                   | 4,00          | Fe / Zn | 8 / 10      | 42,70     | 1/50                                  |
| M42            | 65 x 71,3 x 34                   | 4,50          | Fe / Zn | 8 / 10 / 12 | 58,80     | 1/40                                  |
| M45            | 70 x 77,0 x 36                   | 4,50          | Fe / Zn | 8           | 72,50     | 1/35                                  |
| M48            | 75 x 82,6 x 38                   | 5,00          | Fe / Zn | 8 / 10      | 89,00     | 1/25                                  |
| M52            | 80 x 88,3 x 42                   | 5,00          | Fe / Zn | 8           | 111,50    | 1/20                                  |
| M56            | 85 x 93,6 x 45                   | 5,50          | Fe / Zn | 8           | 135,00    | 1                                     |
| M60            | 90 x 99,2 x 48                   | 5,50          | Fe / Zn | 8           | 156,00    | 1                                     |
| M64            | 95 x 104,9 x 51                  | 6,00          | Fe / Zn | 8           | 173,00    | 1                                     |
| M72            | 105 x 116,2 x 58                 | 6,00          | Fe / Zn | 8           | 236,00    | 1                                     |
| M76            | 108 x 124,6 x 58                 | 6,00          | Fe / Zn | 8           | 262,00    | 1                                     |
| M80            | 113 x 129,6 x 62                 | 6,00          | Fe / Zn | 8           | 307,00    | 1                                     |
