## fischer Expansion plug SB 8/7 K SB-card

Art.-No. 90913

- The rimless plug is suitable for pre-positioned and push-through installation.
- Simple insertion due to the ease of pushing in the plug.
- The anti-rotation lock prevents rotation in the drill hole. This guarantees a high degree of safety during installation.
- With round hook.

## . Technical Data

Drill diameter	8	[mm]
Contents	2 x SB 8, 2 x round hook 5.5 x 80 white, nylon-coated	
Packaging	Blister card	•
