

# fischer Plasterboard fixing GK

Art.-No. 45473

## Top Features

- Simple and fast installation due to a setting tool.
- High load capacity due to positive fit fixing.
- Less space required behind the board due to a short fixing length.
- Ideal for series installation.

- The cross-drive recess in the head of the fixing means that the GK can also be removed like a screw without using a setting tool.

## Technical Data

Anchor length	22	[mm]
Contents	10 x GK, 1 x setting tool	
Packaging	Blister card	
Amount	10	[St.]
GTIN (EAN-Code)	8590369454733
