## Concrete placement equipment Husqvarna AA 67

Husqvarna AA is a series of premium mechanical pendulum concrete vibrators designed for heavy-duty applications and demanding sites. Powered by modern petrol or diesel drive units, it offers high performance and usability. The ergonomic design reduces vibrations, while the use of durable materials contributes to a long service life. It also features a durable quick coupling with flexible shaft.

- Frequency, vpm **10500**
- Tube diameter **63 mm**
