Concrete placement equipment Husqvarna AZ 36

Husqvarna AZ is a reliable, effective and inexpensive series of mechanical concrete vibrators, designed for medium-sized construction sites. Powered by modern petrol or diesel drive units, this mechanical pendulum vibrator offers reliable performance and usability. The ergonomic design reduces vibrations, while the use of durable materials contributes to a long service life. It also features a durable quick coupling with flexible shaft.

- Frequency, vpm **12000**
- Tube diameter **35 mm**
