

Vibrastar

Overview Features Specifications Where To Buy

Concrete placement equipment

Husqvarna Vibrastar

Husqvarna Vibrastar is a reliable and robust series of concrete vibrators, designed for medium to high slump concrete. The ergonomic aluminum switchbox offers easy one-hand operation and reduces hand and arm vibrations. Dual fiber layers in the hose and oil lubricated bearings in the vibrator improve durability and reduce the need for regular maintenance.

- Frequency **200 Hz**
- Voltage **42 V**
- Hose length **5 m**
- Cable length **10 m**
