

AY 107

[Overview](#) [Features](#) [Specifications](#) [Where To Buy](#)

## Concrete placement equipment Husqvarna AY 107

Husqvarna AY is a series of powerful, durable and economic pneumatic concrete vibrators. Powered and cooled by compressed air it is ideal for vibrating walls and columns. The easy-to-twist ball stop handle delivers maximum efficiency and helps avoid air leakage and power losses. The absence of moving parts in the hose reduces hand/arm vibrations and extends service life.

- Hose length **1.5 m**
- Vibration value, m/s<sup>2</sup> **2.91**
- Tube weight, kg **17.7**

Article number: POKERS AY 107 1.5 Meter - 967 93 99-01
