

VIVALUX®

TECHNO/EXEO

Сериите TECHNO и EXEO са спотове за релсов монтаж, предназначени за PAR30 лампи с цокъл E27. Спотовете са с атрактивен дизайн и с възможност за завъртане и насочване на светлината в желаната посока. Серията TECHNO е предназначена за използване с лампа BLAST LED PAR30 12W E27, а сериата EXEO е съвместима с BLAST LED PAR30 12W E27 и със SILVER LED PAR38 15W E27.

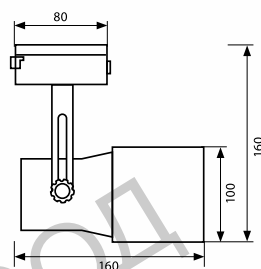

The series TECHNO and EXEO are spots for track lighting that are designed to be used with PAR30 E27 lamps. The spots are with attractive design and can be rotated and directed to the desired direction. The series TECHNO is suitable to be used with BLAST LED PAR30 12W E27, while the series EXEO is compatible either with BLAST LED PAR30 12W E27 or with SILVER LED PAR38 15W E27.
