## Husqvarna AMG 3200

AMG 3200 is a petrol-powered drive unit for Husqvarna AA and AZ mechanical concrete vibrators. The fuel-efficient, rubber-mounted Honda GX 160 petrol engine delivers reliable power all workday long in all conditions, and is easy to service if needed. A sturdy coupling with quick release allows for problem-free power transmission to the flexible shaft.

- Fuel tank volume **3.1 l**
- Weight **15 kg**
