

## Laserliner®

### DISTANCE METERS

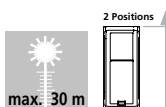

#### HIGH VISIBILITY

#### Laser distance measurement

### LaserRange-Master Gi3

NEW

#### Laser distance meter with green laser technology

- Measuring range, internal 0.3 to 30 m\*
- Measuring precision of  $\pm 2$  mm (typical)\*
- DLD technology creates an extremely bright, green laser point.
- The area and volume functions permit the acquisition of room sizes, for example to calculate material quantities
- Illuminated 2-line VTN display
- Sturdy, ergonomically designed housing

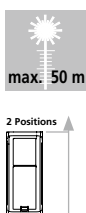

\* See operating instructions for specific measuring ranges and accuracies  
\*\*\* Approx. 6 times brighter than a typical red 630 - 660 nm laser

Inclusive: LaserRange-Master Gi3, softbag, batteries

ORDER NO.	EAN-CODE	PU
080.836A	4 021563 707249	5

### LaserRange-Master Gi5

#### Laser distance meter with green laser technology and angle function

- Measuring range, internal 0.05 to 50 m\*
- Measuring precision of  $\pm 2$  mm (typical)\*
- DLD technology creates an extremely bright, green laser point.
- The area and volume functions permit the acquisition of room sizes, for example to calculate material quantities
- Angle function 1 + 2 + 3\*\*
- Min./Max. continuous measurement
- Digital bubble level is used to align the measuring device
- Tilt sensor calibration
- 360° inclination sensor for determining the horizontal and vertical distance
- Illuminated 4-line colour LC display
- Sturdy, ergonomically designed housing

\* See operating instructions for specific measuring ranges and accuracies  
\*\* In combination with 360° inclination sensor  
\*\*\* Approx. 6 times brighter than a typical red 630 - 660 nm laser

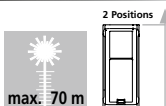

Digital bubble level

Inclusive: LaserRange-Master Gi5, softbag, batteries

ORDER NO.	EAN-CODE	PU
080.838A	4 021563 703722	5

### LaserRange-Master Gi7 Pro

#### Laser distance meter with green laser technology, Bluetooth interface and angle function

- Product description same as LaserRange-Master Gi5
- Measuring range, internal 0.05 to 70 m\*
- Simple assessment of room perimeter with the addition and subtraction functions
- Bluetooth interface for measurement data transfer

\* See operating instructions for specific measuring ranges and accuracies

Inclusive: LaserRange-Master Gi7 Pro, softbag, batteries

ORDER NO.	EAN-CODE	PU
080.837A	4 021563 706426	5
