

1-2-3 Sanding sponge set with handle **DRONCO 1-2-3 System**

Ergonomic manual sanding system for wood, metal, plastics, fibreglass, varnished surfaces, plasterboard and many more.

This handle allows the comfortable use of Sanding Sponges – without having to hold the sanding sponge in your hand.

The Sanding Sponges adjust to the processed surface very well and enable a smooth grinding.

- 1x Coarse Sponge grit 80, suitable for removing varnish and paint
- 2 x Medium Sponges grit 120, suitable for grinding of hard and soft wood, residue for plasterboard, fibreglass or metal surfaces
- 1x Fine Sponge grit 220 for the optimum grinding of surfaces before the application of a paint, glazing or varnish coating as well as before the oiling of furniture with teak oil or other liquid wood waxes.

The DRONCO 1-2-3 Sanding Sponge set contains the ergonomic Handle plus four Sanding Sponges in three different grits (80, 120, 220). The Sanding Sponges can be used for multiple purposes.
