

DS 500

[Overview](#) [Features](#) [Specifications](#) [Accessories](#) [Media](#) [Where To Buy](#)

DS 500 is a medium-size drill stand, suitable for a wide range of professional core drilling operations. Combines high stability and sturdiness with surprisingly low weight. The quick connection features and low weight make handling easy and efficient. The slim-design carriage with optimised gear ratio works exceptionally well with Husqvarna DM 280, DM 340 and similar high-powered 1-phase drill motors. Recommended for drill bit diameters up to 400 mm.

- Drill bit diameter, max **500 mm**
- Travel length, max **706 mm**

Article number: DRILL STAND DS 500 - 967 96 86-01
