

DS 40 Gyro

[Overview](#) [Features](#) [Specifications](#) [Accessories](#) [Media](#) [Where To Buy](#)

DS 40 Gyro is our telescopic stand system for small core drills. The system is easy to use, and quick to set-up and dismount, saving both time and money. It is ideal for core drilling up to 150 mm diameter with a travel length of 600 mm. With a single setup you can drill numerous holes in various positions, upside down drilling, angle drilling and horizontal drilling. It is also ideal for stitch drilling.

- Drill bit diameter, max **150 mm**
- Length, telescopic stanchion **3.1 m**
- Travel length, max **600 mm**
