

# Angle Suction Holder Verifix® Pro 90°

## Technical Data

adjustable Height adjustment

Bracket 90°

Type of fixing vacuum

## DESCRIPTION

The Verifix® Pro angle suction holder is a high quality product topping the list of positioning and fixing devices for glass bonding. Especially in the case of UV bonds, as is common in glass furniture or showcase construction, Verifix® Pro offers superior protection against vibration and slipping - both for corner and T-joints.

- Exact adjustment of the bonding gap (= thickness of adhesive layer)
- extremely sturdy
- Suction cups  $\varnothing$  110 mm
- 75 × 76 × 75 mm (length × height × width)
