POWER X-CHANGE

Cordless Scythe

AGILLO 18/200

Item No.: 3411310

Ident No.: 21010

Bar Code: 4006825651300

The Einhell AGILLO 18/200 cordless scythe is powered by a front motor. The robust line spool with bump feed system is suitable for dense growth, and there is a high-quality 3-tooth blade for tackling undergrowth. The spindle lock system makes it easy to change the set. Electronic speed control keeps the power in check. The two-hand bike handle is universally adjustable, the high-comfort harness ensures optimum handling and for tireless operation there is a soft grip and a lightweight aluminium tubular long handle. The split shaft ensures user-friendly transport and there is also an integrated wall holder for easy and secure storage. One 18 V Power X-Change rechargeable battery is required for operation. This is available separately.

Features & Benefits

- Member of the Power X-Change family, 1x18V batteries necessary
- Front-Motor: Perfect power transmission and weight balance
- Universal adjustable twin handle (bike handle)
- Split shaft for easy transport and space saving storage
