

PG 280

[Overview](#) [Features](#) [Specifications](#) [Where To Buy](#)

PG 280 is a single disc floor grinder that you can quickly convert for edge grinding on both sides. It efficiently grinds adhesives, paint, epoxy and spackle. With a grinding width of 280 mm it is suitable for small to medium concrete areas. Designed to facilitate an ergonomic work position, it is easy and convenient to use. The machine is light and compact and therefore easy to transport and set-up.
