## Compaction equipment

# Husqvarna LF 100 L

LF 100 L is a fast-operating forward plate compactor, ideal for compacting thin to medium layers of granular soils. A unique plate shape and optimised speed enable fast and easy compaction with high production rates. The exclusive, patented low-vibration handle protects you from unhealthy vibration levels and the compact design with foldable handle make transportation and storage easy.

- Motor/engine model **4-takst luftkølet**
- ⚡ Power output **3.2 kW**
- Speed **25 m/min**
- 📏 Weight **106 kg**
