Compaction equipment

Husqvarna LG 400

LG 400 is a powerful, reliable reversible plate compactor, developed for efficient compaction of deep and medium-deep granular soil. It makes an effective alternative or complement to rollers when compacting in confined areas. It is equipped with a Lombardini 15LD 440/S diesel engine and features an ergonomic, service-friendly design.

Motor/engine model	4-stroke air-cooled
Power output	6.2 kW
Speed	25 m/min
Weight	436 kg
