

## BG COMBI

[Overview](#) [Features](#) [Specifications](#) [Where To Buy](#)

BG Combi is a versatile 2-in-1 concrete power trowel designed to deliver a smooth start and excellent finishing control. It comes equipped with a two-speed electric motor, which provides a blade speed of 60 rpm and 120 rpm. For optimal control and great results, the speed and angle of the blades can be adjusted from the ergonomic steering handle. Excellent balance also improves control.
