## Snips / 3629 INOX-GR25 MB

Brand

Bellota

EAN code

8414299588330

Use

Harvests grapes, fruit and garlic scapes (long, straight blade).

### Bullet points

Efficient, comfortable and lightweight. Forget about rusting, special heat-treated stainless steel blades.

Long and straight blade snips, perfect for vine and fruit harvesting and garlic stems cutting. Very suitable for cutting and maintenance of small balcony plants.

Comfortable grip. Lightweight, ergonomic, bi-material handle with reinforced grip for maximum durability.

### Description

Snips with bi-material reinforced handle for comfortable grip.

Stainless steel blade with non-stick coating for easier cuts and maintenance. Narrow, long and pointed blade snips, perfect for vine and fruit harvesting and garlic stems cutting.
