

FISKARS®

PowerGear Aviation Snip, right cut

Item #: 1027208

- Ideal for cutting a range of heavy-duty materials, including sheet metal, ductwork, drywall corners, metal studs, siding, soffit, fascia, drip edge, gutters and more
- Blades with PowerGear™ technology; leverage-enhancing gears that give you over 40% more power, especially during the toughest part of the cut.
- Optimized handle that fits the hand, allowing the application of more power without sacrificing cut length
- EasyAction™ feature opens the handle automatically to help reduce hand fatigue
- Forged, heat-treated steel blades and handle are 40% stronger for long life and durability
- Blade tangs extend to the handles for improved strength
- Ergonomic handle with SoftGrip™ and strategic texturing enhances comfort and control
