

FISKARS®

PowerGear Aviation Snip, straight cut

Item #: 1027207

- Ideal for cutting a range of heavy-duty materials, including sheet metal, ductwork, drywall corners, metal studs, siding, soffit, fascia, drip edge, gutters and more
- Blades with PowerGear™ technology; leverage-enhancing gears that give you over 40% more power, especially during the toughest part of the cut.
- Optimized handle that fits the hand, allowing the application of more power without sacrificing cut length
- EasyAction™ feature opens the handle automatically to help reduce hand fatigue
- Forged, heat-treated steel blades and handle are 40% stronger for long life and durability
- Blade tangs extend to the handles for improved strength
- Ergonomic handle with SoftGrip™ and strategic texturing enhances comfort and control
- Cutting capacity: Cuts up to 18-gauge cold-rolled steel (1.214mm) or 22-gauge stainless steel (0.7937mm)
- Cut length: 38 mm

Specifications

Product article number	1027207
International Article Number (EAN)	6411501701251
Width	76 mm
Length	252 mm
Height	23 mm
Weight	360 mm
Cutting capacity	18Ga CRS (1.214mm); 22Ga SS 0.7937mm
