

## FISKARS®

### CarbonMax Drywaller's Knife

Item #: 1027226

- Features the two most common hand tools used by drywallers: utility knife and jab saw for blazing through drywall
- Both blades are on the same end of the tool and lock into place for additional safety
- Ergonomic handle with SoftGrip™ features dynamic grip pattern for all-day comfort and control
- Metal body for optimal balance and job site durability and a reinforced metal end that provides reliable resistance against pounding and drops
- Includes 1pc CarbonMax utility blade that lasts 24X longer than standard utility blades
- Internal storage holds up to 2 pcs making it quick and convenient to change blades

#### Specifications

Product article number	1027226
