

Сюрме Estebro® за летящи врати усилено 160x24x20 мм,
Strong

Designation: Basic flush bolt

Family: Flush bolts

Material: E235 C steel

Finish: Zinc-plated

Description: Component which is installed on the swing doors to avoid its opening. The rod is fitted in the door's profile and the flush bolt is fixed on the plate with screws or rivets. When the lever is activated, the rod is displaced acting as an anchorage and locking the door.
