

## Шлайф Rodcraft лентов пневматичен 370 W, 6.3 bar, 20x520 мм, 400 л/мин, 17 000 об./мин, RC7156

Model RC7156

Belt size 1§;--3 20x520 mm

Power 370 W

Speed 17000rpm

Weight 1 .15kg

- Tool can be used 100% into corners since the arm does not disturb on the side of the belt
- Fast-tensioning mechanism allows exchanging of belts one-handed
- Ergonomic working handle can be adjusted to different angles
- Continuous work is made more comfortable due to a broad resting plate for the second hand
