

# Ratchet lever hoist model Silverline HZ S

Capacity 750 - 6000 kg

The Silverline HZS is designed and built for safe and efficient operation.

A hoist with low maintenance - at an economical price.

## Features

- Strong bolts between side plates and housing cover ensure increased stability.
- Chain guide rollers eliminate fouling and jamming of chain.
- Bearings for side plates permit a long service life.
- Zinc-plated load chain as standard.
- Drop forged suspension and load hooks are made from high tensile steel and fitted with safety latches.

**This hoist is not designed for passenger elevation applications and must not be used for this purpose.**
