

STARLOCK BLADES

OSCILLATING TOOLS

✓ **Comprehensive range for various materials**

Wood, metal, steel, stone, aluminium, copper, concrete, plaster/render, plastics, silicone, etc.

✓ **Extremely long service life** and professional quality

✓ **Various shapes and toothings** for different tasks

✓ **As a saw, scraper & knife** for optimal use of the multitool

✓ **With original Starlock connector**, perfect for Bosch and Fine Starlock multitools

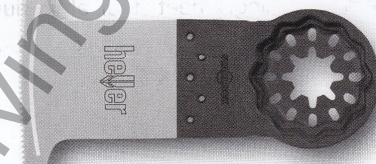

✓ **The patented Starlock system guarantees optimum power transmission and simplest clamping and unclamping of tools**

HCS wood & plastic saw, 50 x 35 mm

Wood, plaster/render and plastic. High speed.

Art.no.: 29530 7 & 29531 4

HCS wood & plastic saw, curved, 50 x 65 mm

Wood, plaster/render and plastic. High speed.

Art.no.: 29532 1 & 29533 8

BIM wood & nail saw, 30 x 10 mm

Wood, plaster/render and plastic. High speed.

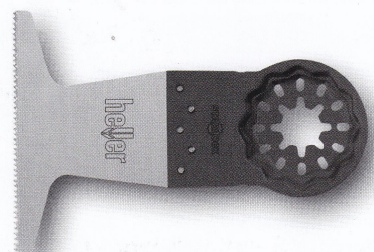

Art.no.: 29534 5 & 29535 2

BIM wood & nail saw, 50 x 35 mm

Wood, plaster/render and plastic. High speed.

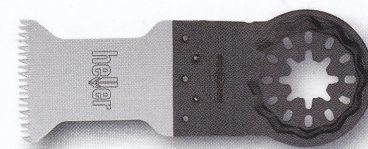

Art.no.: 29536 9

BIM wood & nail saw, 50 x 65 mm

Wood, plaster/render and plastic. High speed.

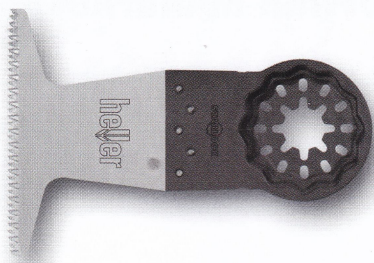

Art.no.: 29537 6

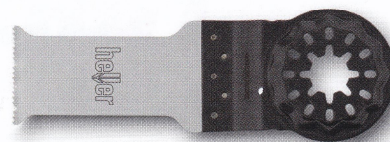

BIM wood precision-cutting saw, 50 x 35 mm

Japanese toothings. Wood, plaster/render and soft plastics.

Art.no.: 29538 3

BIM wood precision-cutting saw, 50 x 65 mm
Japanese toothing. Wood, plaster/render and soft plastics.
Art.no.: 29539 0 & 29540 6

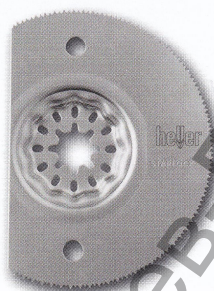

BIM metal & wood saw, 50 x 28 mm
Serrated universal toothing. Sheet steel, aluminium, copper, wood, plaster/render, plastics. High speed.
Art.no.: 29541 3 & 29542 0

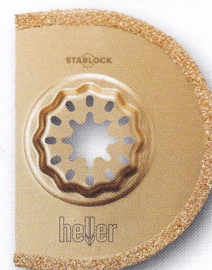

BIM metal & wood saw, 50 x 44 mm
Serrated universal toothing. Sheet steel, aluminium, copper, wood, plaster/render, plastics. High speed.
Art.no.: 29543 7 & 29544 4

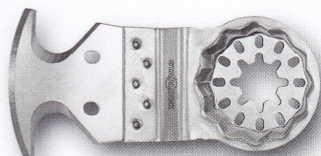

BIM fine metal saw, 50 x 30 mm
Fine toothing, sheet steel, aluminium, copper, GRP. Particularly precise.
Art.no.: 29545 1

HCS soft materials saw, 50 x 65 mm
For all soft materials. Segmented, ideal for corners and edges.
Art.no.: 29546 8

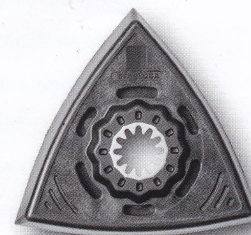

HCS hard materials saw, 75 x 2.2 mm
For separating tile joints and slitting plaster/render and aerated concrete. Segmented, ideal for corners and edges.
Art.no.: 29547 5

3x cutter
For carpets, plastics, cardboard, tar board, etc. Triple cutting blade
Art.no.: 29548 2

Scraper, rugged 34 x 50 x 0.8 mm.
Rugged scraper for removing adhesives, paint, carpet, coatings.
Art.no.: 29549 9

Sanding block - triangular, 95 mm
Art.no.: 29550 5

COMPATIBLE WITH MACHINES FROM THE FOLLOWING MANUFACTURERS:

- ✓ FEIN MultiTalent*
- ✓ FEIN MultiMaster*
- ✓ FEIN SuperCut*
- ✓ Bosch OIS + Starlock*

- ✓ Bosch Starlock
- Plus & Max*
- ✓ Craftsman*
- ✓ Hitachi*

- ✓ Makita*
- ✓ Metabo*
- ✓ Milwaukee*
- ✓ Ridgid*

- ✓ Rockwell*
- ✓ Ryobi*
- ✓ Skil*

Sawing, cutting, scraping
with the new Starlock connection - high-tech tools for professionals
