

## ***Double Guard***

---

**The bar for woodcutters using electric or small gasoline-powered saws with 90-series Micro-Lite™, 91 Low Profile™ chains or 1/4”-pitch 25A(P) chain.**

---

### **Features & Benefits**

- Slim symmetrical contour is light in weight, maneuverable, and reversible for long life.
  - Small-radius nose helps reduce kickback energies
  - Models are available with the Intenz® tensioning mechanism built into the bar itself.
  - Bar-mount holes to mount the PowerSharp® bar-mount sharpener are available on some models.
-
