- For small size logs with a diameter of less than 20cm
- Works best for chopping kindling for a campfire
- Great for one-hand use
- Good additional tool to bigger splitting axe like X21 or X25
- Special blade geometry and finish complemented by a light sturdy shaft and perfect balance
- Ultralight and durable FiberComp™ shaft minimises fatigue and makes the axe virtually unbreakable
- New optimal anti-shock 3D surface and hooked end of the handle ensures a comfortable, firm grip preventing the shaft from slipping out of the hand
- Comes with a plastic sheath for easy carrying and storage
