

SZ Screw clamps

The classic tool in a new functional design

Ergonomic, with innovative features, for a variety of applications - as relevant now as ever.

- handle ergonomically formed with non-slip inserts, for optimal power transfer
- optimal transfer of power via a galvanised spindle with trapezoidal thread
- particularly good for gluing - the new design of the clamping arm allows the tool to be laid flat on the upper part of the arm, as well as on its back when rotated through 90° - yet another innovation
- will not slip or come undone - grooved edges will ensure a secure grip
- the high-quality galvanised cavity-profile clamp arm will not bend, even when working at large spans
- packaging: with hang tag

| article no. | description | EAN | depth | clamping range |
|-------------|----------------------------|---------------|--------|----------------|
| 3610000 | 1 SZ 80-150 - screw clamp | 4006885361003 | 80 mm | 150 mm |
| 3611000 | 1 SZ 80-300 - screw clamp | 4006885361102 | 80 mm | 300 mm |
