

PLATINUM

Platinum is Anza's best choice for the DIY painter. The extremely durable brushes are developed for those who demand the highest quality and finish. The carefully designed ergonomics reduce the risk of strain injuries.

The superior capacity and coverage enable perfect results, and save time. Moreover, the filaments are produced for precision painting so as to achieve a really fine surface and sharp edges.

PLATINUM XP FLAT BRUSH

Suitable for painting doors and woodwork. The brush has been developed for precision painting and gives a superior finish and a perfect end result without brush marks. Ergonomically designed handle and standard ferrule.
