Power packs

Husqvarna PP 440 HF

PP 440 HF electric power pack is specifically developed for the electric wall saw WS 440 HF. The frequency converter is easy to transport to and around the worksite, due to its compact design, low weight and comfortable carry handle. The wireless remote control allows excellent control of the sawing process and gives you the freedom to move around the worksite.

- Rated current **32 A**
- Voltage **200 V**
