

## FS 5000 D

[Overview](#) [Features](#) [Specifications](#) [Accessories](#) [Media](#) [Where To Buy](#)

Our modern FS 5000 D is a powerful diesel walk-behind floor saw with low emissions compliant with Tier 4 and Stage V regulations. The product's compact size, weight and balance is optimised for high production in service work applications cutting asphalt and concrete. With an impressive level of sustainable torque from the Yanmar diesel engine, it maximise production rates in the toughest conditions and contributes to a healthier working environment. The modern, service-friendly design, ergonomic controls and electronic support systems are highly intuitive, with focus on operator efficiency and convenience. The product is available with single speed or with 3-speed gearbox, as well as blade clutch, electronic tracking system on the rear axle, 5th wheel, light kit, water pump kit and weight kits.

- Cutting depth, max **374 mm**
- Output power (As rated by the engine/motor manufacturer) **35.5 kW**
- Blade diameter, max **750 mm**

### Engine

Output power (As rated by the engine/motor manufacturer)	<b>35.5 kW</b>
Output power at tool shaft	<b>35.9 kW</b>
Engine cooling	<b>Liquid / Air</b>
Fuel tank volume	<b>24.5 l</b>
Cylinders	<b>4</b>
Number of strokes	<b>4-stroke engine</b>
Exhaust emissions (CO2 EU V)	<b>838 g/kWh</b>

### Transmission

Transmission speed forward	<b>3719 m/min</b>
----------------------------	-------------------

### Cutting equipment

Arbor diameter	<b>25.4 mm</b>
Blade depth control	<b>Electro hydraulic</b>
Blade diameter, max	<b>750 mm</b>
Cutting depth, max	<b>374 mm</b>

### Dimensions

Product size length	<b>1753 mm</b>
Product size height	<b>1332 mm</b>
Weight	<b>771 kg</b>
