

PP 455 E

[Overview](#) [Features](#) [Specifications](#) [Accessories](#) [Media](#) [Where To Buy](#)

The electrically powered hydraulic unit PP 455 E is specially developed for the WS 463 wall saw and the CS 2512 wire saw. It's equipped with a water-cooled electric motor providing more efficient sawing, enabling you to work at full capacity for the entire saw process. The electric motor is mounted beneath the tank, providing a low centre of gravity and good stability.

- Hydraulic oil flow **65 l/min**
- Hydraulic pressure, max **230 bar**
- Rated current **63 A**
- ⚡ Voltage **400 V**
